

## 2024 AG SOIL HEALTH MEETING

### FREE EVENT

OPEN TO FARMERS, CONSERVATION  
PROFESSIONALS, CROP ADVISORS, AND SCIENTISTS

This event will connect farmer field observations  
with scientists' research. Topics include:

- Soil Health Assessments – Dr. Markus Kleber, OSU
- Conservation Cover for Hazelnut Orchards – Dr. Lauren Hallett, University of Oregon
- Soil Nitrate Leaching Management – Jana Compton, Environmental Protection Agency
- Trialing Pollinator Plants – Ian Silvernail, PMC
- Lunch provided

## WEDNESDAY, MAY 8, 2024

### 7:30AM to 1:00PM

Location: USDA NRCS Plant Materials Center  
2000 NE Granger Rd, Corvallis OR

Access the location from Granger Road via the gravel driveway located about one mile west of Hwy 20. There is no access directly from Hwy 20, contrary to Google Maps.

## REGISTER HERE!

The 2024 Ag Soil Health Meeting is a collaboration between Benton SWCD, Oregon Soil and Water Conservation Society, NRCS Plant Materials Center, Oregon State University, University of Oregon, and the Environmental Protection Agency.
